

Knowledge Management

Unlock insights in your organisation

ima
INTERNATIONAL

Our offer:

This KM online course is a 6-week programme specifically designed for key personnel in NGOs, government, UN agencies and private sector organisations.

We know you and your organisation want to become more effective and resilient.

We believe you can do this by enhancing knowledge management and knowledge sharing practices.

You can make positive changes in your personal working practice, together with your teams and departments, and ultimately across your whole organisation.

In this course, find out how your organisation can learn from its people and its experiences to become more responsive, innovative and strategic:

- develop a culture that harnesses the know-how and experience of your people
- make knowledge accessible to everyone who needs it, by building knowledge sharing (KS) into everyday operations
- use knowledge management (KM) to achieve and support your strategic objectives

How the course works:

You work from the comfort of your own home or office. You complete the paced course over 6 weeks with facilitated, scheduled live meetings.

You will join a peer group of participants from different organisations and countries. IMA International facilitators will guide and mentor your learning process, providing you with:

1. Practical exercises and reflection activities
2. 5 guided 90-minute group webinars (recordings made available)
3. Paired and peer group work
4. Presentations and video inputs
5. Written resources and links
6. Relevant case studies
7. Opportunity to apply KM and KS tools in your workplace
8. User-friendly platform for accessing all materials, presentations and resources, sharing with your peer group and uploading your regular assignments to a dedicated portfolio
9. Scheduled access to mentors
10. Personalised mentoring session within 3 months after the course

You are awarded a KM certificate after completing the course and fulfilling all course criteria.
